PC PRINT BILL SUMMARY REPORT

The PC Print software used to convert your Electronic Remittance Advices (ERAs) to a readable format has changed some of its system layout/mapping information for Version 5010 ERAs. The changes are outlined below:

BILL TYPE SUMMARY REPORT

PC PRINT BILL SUMMARY REPORT

```
     Medicare National Standard Intermediary Remittance Advice
LR NPI Provider              FPE: 09/30/2008            PBSI -FISS
