Password Quick Reference Guide

Tips & Reminders

- When you are finished using myCGS, formally log out of the system by using the "Log Out" link in the top-right corner. Do not "X" out to close your browser window/tab, as this will cause an improper logout.
 - If you experience a lockout, you must wait 15 minutes before attempting to log in again.
- myCGS users logged in to the system will automatically timeout after 15 minutes of inactivity.
 - If you are logged out due to inactivity, you can immediately log back in.
- If your account is locked due to three consecutive invalid password attempts, three consecutive invalid MFA attempts, or account inactivity, you will be prompted to change your password. Refer to the "Unsuspend Your Own myCGS® Account with No Phone Call Required!" article for more information.

JC: <https://cgsmedicare.com/jc/pubs/news/2023/02/cope135475.html>

 - If you have two consecutive unsuccessful login attempts, either wait 120 minutes before trying to log in again, or use the "Forgot Password" link.
 - In order to keep your myCGS account active, you must log in to the portal at least once every 30 days. After 90 days of inactivity (no successful logins), your account will be permanently deleted.

Change Password

After successfully changing your password, you will be immediately taken back to the login screen.

TIP: You will receive a reminder email from mycgs.no.reply@mycgsportal.com when you have not logged in to myCGS for a consecutive 20-day period. You will continue to receive login reminders to prevent an account suspension. Add this email to your address book to ensure the notification is delivered to your Inbox.
