MAIL COMPLETED FORM TO:

A reopening is a remedial action taken to change a final determination or decision that resulted in either an overpayment or an underpayment, even though the determination or decision was correct based on the evidence of record. Reopenings are separate and distinct from the appeals process. Reopenings are a discretionary action on the part of the contractor that initially issued the initial claim determination.

Indicate the appropriate jurisdiction by checking the box to the left of the Jurisdiction name.

- Jurisdiction A – Noridian Healthcare Solutions
- Jurisdiction B – CGS, Administrators, LLC
- Jurisdiction C – CGS, Administrators, LLC
- Jurisdiction D – Noridian Healthcare Solutions
