This form is optional. Prior to submitting a formal new LCD or LCD reconsideration request, the DME MACs encourage requestors to schedule an informal conference call to review the requirements for a valid LCD request. The following fields should be completed when requesting an informal call. Please include additional documentation if you exceed the character limit.

Note: DME MAC participation in the call may include DME MAC medical policy ancillary staff, in addition to the DME MAC Medical Directors, on behalf of each DME MAC jurisdiction. The Pricing, Data Analysis, and Coding (PDAC) contractor Medical Director(s) and ancillary staff may also be invited to attend these calls. (If you prefer that the DME MACs solely attend the informal conference call, then please specify such in your call request.)
